

Château Tour Seran 2011

Cru Bourgeois - AOC Médoc

Château Tour Seran is a 15-ha single plot vineyard whose origin can be traced back to the 17th century. The estate used to belong to the Marquis of Ségur also known as "Prince of Vines", a Bordeaux winemaker with flair who also owned some of the most famous Bordeaux chateaux including Château Lafite, Château Latour, Château Mouton, Château Calon-Ségur. The particularity of Château Tour Séran is its extraordinary location. Situated on the edge of the Garonne river on the top of a hill, it is surrounded by marsh land. This exceptional "terroir" is mainly composed of rolled stones and the exposition of this parcel allows the making of a "grand vin", well-structured and full of red fruits aromas. A natural eco-system plays a key role in the vineyard ; making us dream with its multi-colored butterflies and white spots lady-birds.

Vintage 2011

Whatever the weather conditions, the various parcels of Domaines Rollan de BY are very often spared from the weather tantrums thanks to their geographic position. Here, the 2011 has produced wines true to themselves: fruity aromas of prune and raspberry, balanced with a great backbone and length.
